City of LAUNCESTON

In November 2023, the City of Launceston approved the Urban Greening Strategy. This plan is all about making our city greener by adding more trees, shrubs, grass, and cool stuff like green roofs and walls in both public areas and neighbourhoods.

We're starting with Mayfield, and we want your help! Drop in and have a cuppa and a bite to eat with us and share your ideas!

Together, let's make our neighbourhood even better!
